Speaking Session with Doris M. Cush

- Do you find your tongue speaking out of turn?
- Does busyness test the limits of your time (and patience) around others?
- Do your kids or kin find you fun or frightening to be around?

You can't control the thoughts and actions of the world, but you can change the way you are a blessing to those in your little corner of it!

"be a b.l.e.s.s.i.n.g." provides you with an amusing and memorable checklist. Learn what it means to listen with an open and loving heart. Develop the tools of a true servant and dispose of the "junk-drawer" mindset!

You are a blessing to those you meet, greet and treat everyday. Don't let stress or mess rob you of being the best blessing you can be!
